

4th ASEAN-PAKISTAN CONFERENCE ON MATERIALS SCIENCE (APCoMS)

Jointly organized by NUST, Pakistan & ITDI, Philippines

DISCOVER INNOVATION

Join us for this premier international event, connecting leading experts in materials science from ASEAN nations, Pakistan, and across the world. Hosted by SCME NUST, Islamabad, APCoMS 2025 is a hub for collaboration, research exchange, and partnership-building aimed at fostering technological advancement and regional development.

Conference Legacy

APCoMS-1

2008

Inaugural APCoMS, in Islamabad, Pakistan established ASEAN-Pakistan partnerships in Materials Science

APCoMS-2

2011

2nd APCoMS, held in Hanoi, Vietnam featured notable researchers and publications in top journals

APCoMS-3

2014

3rd APCoMS, hosted in Islamabad furthered regional advancements in materials science

APCOMS-4

2025

4th APCoMS, aims to expand its impact with a focus on sustainable technological advancements

Conference Highlights

- | | |
|---------------------------|----------------------------|
| 1 Pre-Conference Workshop | 4 3 Minute Lightning Talks |
| 2 Keynote Invited Talks | 5 Young Researchers Award |
| 3 Panel Discussions | 6 Social Networking Event |

Thematic Areas

- Energy and Storage Materials
- Bio-inspired Materials
- Materials Chemistry
- Advanced Structural Materials
- Surface Materials and Coatings
- Sustainable Practices
- AI & Digital Manufacturing
- Computational Materials Science
